

This architectural elevation drawing shows a building with a steep gabled roof. The roof is filled with a pattern of vertical blue lines. The building's facade is primarily white, with a central section featuring a dark, shaded area that appears to be a doorway or a recessed entrance. Two figures are standing in this central area: one on the left wearing a hard hat and holding a clipboard, and another on the right in a suit. To the left of the building, a small, dark, rectangular object sits on the ground. To the right, a man in a suit and hat stands next to a dark-colored SUV. The drawing is a line art style with selective color and shading to indicate depth and material.
